

## **Directions to the Silver Bluff Audubon Center**

*Please respect all posted signs and gates. Wildlife, plants, and artifacts at Silver Bluff are protected by federal and state Law and by the National Audubon Society. Look, learn, and enjoy your surroundings.*

### **From New Ellenton or Barnwell:**

Travel 278 west. Turn left onto 302 (Silver Bluff Road). Continue down Silver Bluff Road and cross 125. Travel 1.8 miles and you will come to a stop sign. Continue straight, crossing over Old Jackson Highway. After 1.1 miles you will go over a set of RR tracks. Travel a short distance and the paved road will turn to a sand/clay road. Once you get to this point, continue to travel about a mile and you will see the education building on the right side.

### **From North Augusta:**

Take Atomic Road (125 east) to Beech Island. Continue on 125 through Beech Island. At the 302 junction, turn right onto Silver Bluff Road. Travel 1.8 miles and you will come to a stop sign. Continue straight, crossing over Old Jackson Highway. After 1.1 miles you will go over a set of RR tracks. Travel a short distance and the paved road will turn to a sand/clay road. Once you get to this point, continue to travel about a mile and you will see the education building on the right side.

### **From Augusta:**

Travel highway 28 east to Beech Island. Immediately before the second traffic light in Beech Island, bear right onto Old Jackson Highway. Travel 5.8 miles and turn right onto Silver Bluff Road. After 1.1 miles you will go over a set of RR tracks. Travel a short distance and the paved road will turn to a sand/clay road. Once you get to this point, continue to travel about a mile and you will see the education building on the right side.

### **From Aiken:**

Travel South on Silver Bluff Road (302). Continue down Silver Bluff Road (you will cross 278 and 125). Travel 1.8 miles and you will come to a stop sign. Continue straight, crossing over Old Jackson Highway. After 1.1 miles you will go over a set of RR tracks. Travel a short distance and the paved road will turn to a sand/clay road. Once you get to this point, continue to travel about a mile and you will see the education building on the right side.
